School profile

Brookside College is located in Caroline Springs on the lands of the Wurundjeri People and the Kulin Nation. Although the College and the community it serves is relatively young, learning communities have taken place on this land for more than 30,000 years.

Founded as part of the multi-campus Caroline Springs College in 2000, Brookside College became a separate legal entity in 2012. Since its formation, the College has gained a strong reputation as a caring and community minded learning school built on a commitment to student-centred learning and inclusive education.

Today the College has an enrolment of 1150 students from Prep to Year 9 and a staff of 135. Ours is a culturally and ethnically diverse community with 55% our children coming from a language background other than English and 1% of our children coming from an Aboriginal or Torres Strait Islander background. As a College, we celebrate the richness that diversity brings to a community and ensure our educational programs give voice to the different experiences of our families.

School values, philosophy and vision

The College strives to offer high-class educational practices and the adoption of contemporary pedagogy that guides students through integrated phases of learning. The fundamental aim of the school is to foster and balance the intellectual, physical, cultural and social development of its students within 21st Century skills framework.

Teaching and learning programs at Brookside College are planned around professional learning communities at each level of the curriculum, with student needs individually catered for within the classroom.

Our Vision: Brookside College empowers every learner to fulfil their potential and positively shape the future.

Mission: At Brookside College we design high quality learning experiences that build on learner strengths and needs to help them develop their talents, passion and purpose.

Values: Our College values are RIGHTS, RESPECT, RESILIENCE and RELATIONSHIPS. We endeavour to incorporate these into our daily work for all Community members.

Further information about raising a complaint or concern is available in our Complaints Policy.

Student behavioural expectations and management

Behavioural expectations of students are grounded in our school's Statement of Values and through our School Wide Positive Behaviour Support Matrix.

Violence, bullying, and other offensive and harmful behaviours such as racism, harassment and discrimination will not be tolerated and will be managed in accordance with this policy. Bullying will be managed in accordance with our Bullying Prevention Policy.

When a student acts in breach of the behaviour standards of our school community, Brookside P-9 College will institute a staged response, consistent with the Department's policies on behaviour, discipline and student wellbeing and engagement. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implements positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- warning a student that their behaviour is inappropriate
