## PURPOSE

To explain to parents/carers:

- how Brookside P-9 College collects, uses, and discloses photographs, video, and recordings of students
- when parent/carer consent is required before photographing, filming, and recording students
- how consent can be provided and withdrawn.

## SCOPE

The policy does not cover the:

- use of Closed-Circuit Television (CCTV). The use of CCTV is covered in the department's CCTV in Schools Policy.
- use and disclosure of photographs, video, and recordings of adults.

## POLICY

There are many occasions during the school year where Brookside P-9 College staff photograph, film or record students participating in school activities or events, for example camps, incursions, excursions, assemblies, special events, sports days, and general classroom activities.

We do this for many reasons including to

- celebrate student participation and achievement
- highlight learning programs
- document a student's learning journey in the classroom and at camps, excursions, and sports events
- communicate with our parents/carers and school community in newsletters and digital applications.

There may also be occasions where we take images to support student behaviour management or to fulfil legal obligations. Further detail is provided within this policy.

In addition to the above, there may be situations where a third-party requests to take, use or disclose images of students.

This policy outlines the practices that Brookside P-9 College has in place for the collection, use and disclosure of images of students to ensure compliance with the *Privacy and Data Protection Act 2014* (Vic). It also explains the circumstances in which we will seek parent/carer consent and how consent can be provided and withdrawn.

## Consent

The Photographing, Filming and Recording Students Consent Form is provided by Brookside P-9 College at enrolment. This form applies to standard uses of images for the time your child attends the school. Standard uses are defined in the following sections.

For non-standard uses, where consent is required, parents/carers will be sent a consent form for that specific situation. Schools will also notify parents when implementing software that may include photos of students, giving parents an opportunity to discuss any concerns or preferences.

If at any time parents/carers wish to withdraw their consent, they can by contacting school administration on (03) 7379 1555 or by emailing [brookside.p9@education.vic.gov.au](mailto:brookside.p9@education.vic.gov.au). If consent is withdrawn verbally, the school will make a written record of this. However:

- if the images have already been published and are in the public domain, it may not be possible to remove them
- the school can still collect, use and disclose images in circumstances where consent is not required (see below for more information).

## Image use within the physical school environment

A Photographing, Filming and Recording Students Consent Form will be given to parents/carers on enrolment for the standard uses described above. Consent, if given, applies until it is withdrawn or changed. If a parent/carer would like to withdraw or change their consent at any point in time, they must notify the school.

## Media

The media, or the Department of Education's media team, may seek to photograph, film or record students for a news story or school event. This may include broadcast media, online or social media or print media, including newspapers and magazine publications.

When Brookside P-9 College receives such requests, our school will:

- provide parents/carers with information about the organisation involved and when and for what purposes the photography, filming or recording will occur
- seek prior, express parent/carer consent in writing.

Students will only be photographed, filmed, or recorded by the media at school if express consent is provided for that specific media event. Neither the school nor the department own or control any photographs, video or recordings of students taken by the media.

## Closed Circuit Television (CCTV)

Parent or carer consent is not required for a school to install CCTV. However, Brookside P-9 College will inform the school community of the intention to install a CCTV through Compass. Installation of CCTV will be done in accordance with the department's [CCTV Installation and Management Policy](#). ## Official school photographs

Each year Brookside P-9 College will arrange for a professional photographer to take official school photographs of students. This will generally involve both class photos and individual photos being taken but may also include cohort and whole school photos on certain occasions.

Official school photographs may be:

- purchased by parents/carers

Brookside P-9 College will notify parents/carers in advance of the official school photographs being taken to give them an opportunity to decide whether their child will be included in the photographs.

Parents/carers who choose to opt out of having their child participate in official school photographs must contact school administration on (03) 7379 1555, or by emailing [brookside.p9@education.vic.gov.au](mailto:brookside.p9@education.vic.gov.au) before the date photos are scheduled to be taken to advise that their child will not participate. There is no obligation on any parent or carer to purchase any photographs taken. However, the school will need to discuss with these parents/carers alternative arrangements for identifying students in emergencies and for other essential purposes.

## Images to manage student behaviour or fulfil our school's legal obligations, including child safety

On occasion, it may be necessary for school staff to photograph, film or record students and/or use images to:
